

Hammered Tubing

APPLICATIONS

- Gates
- Garden Furniture
- Hand Railing
- Fencing
- Balconies

The decorative rustic style of hammered tubing lends character to any project. It has a more custom look in comparison to standard ornamental tubing.

To use in conjunction with hammered tubing, we stock a wide variety of complimentary items such as:

- spears
- scrolls
- baskets
- caps
- balusters
- pickets

IMS stocks the largest selection of metal in the Southwest. Whether you need to pick it up today, or have it delivered tomorrow, IMS should be your first stop. *We make metal easy.*
